7 333030 253812

Items in stock are usually delivered in one to two days.

The stock markers are indicative only and actual items in stock will vary with time because of high purchase volume requirements of our supplier.

All plastic rugs in this catalog can be ordered in any pattern, color, and length (cuts must fit inbetween pattern), provided the combined order is for a minimum of 20 meters per color and pattern. Delivery time for special orders is 3-4 weeks.

Paddington Black ●

Venedig Black ●
70×200 cm 253 115 103 200

All the plastic rugs shown in these pages are actually two different rugs in one, since the pattern on the “first” face is reversed on the “second” face and the rug can equally well be used with either side up.

*Representing the more subtle metallic patterns in regular catalog images is difficult. These two images show **Blomma** in metallic white/white from two different angles, with daylight falling in from a window. The metallic variants change their patterns depending on light and viewing angles, rendering the carpets “a life of their own”.*

Lustfylld vardagslyx

Skönhetens behag och skapandets passion ska genomsyra hela sortimentet. En glädje och en önskan att göra världen lite vackrare.

Idéer mynnar ut i färger, former och mönster och växer fram till produkter där kvaliteten på råvara, tillverkning och slutresultat är kompromisslös.

Drivkraften att samla färg, form, funktion och kvalitet ger ett sortiment med möjlighet till oändlig koordination och kombination.

”Min design ska vara praktisk och tidlös. Du ska kunna njuta av den länge. Välkommen till min värld”

Malin Westberg

Pleasurable everyday luxury

Pleasure in beauty and passion in creation imbues the Malin Westberg Collection. A combination of joy and desire to make the world even more beautiful.

Thoughts and ideas burst into colour, shape and patterns, which evolve in products where the quality of materials, production and final result are uncompromising.

The Malin Westberg Collection combines colour, form, function and quality, providing a range of products with the endless possibilities for coordination and combination.

“I would like my design to be practical, timeless and give you long lasting enjoyment. Welcome to my world.”
