Trays, Cutting Boards & Coasters Catalog
Spring 2015

All products in this catalog are made from laminated birchwood from Swedish forests. The production is a manual process, where each item is a unique cut from the design pattern laid up individually in molds, after which they are heat laminated and edge trimmed.

*The patterns of these products match other items in the **Malin Westberg Collection**, allowing you to set your table and serve your guests in a very stylish manner.*

Items in stock are usually delivered in one to two days.

The stock will vary with time because of high purchase volume requirements of the supplier. We our place orders twice a year, in February and August, for the summer and Christmas seasons.

We are also capable of supplying laminated birchwood items with custom designs, for instance for marketing purposes.

Lustfylld vardagslyx

Skönhetens behag och skapandets passion ska genomsyra hela sortimentet. En glädje och en önskan att göra världen lite vackrare.

Idéer mynnar ut i färger, former och mönster och växer fram till produkter där kvaliteten på råvara, tillverkning och slutresultat är kompromisslös.

Drivkraften att samla färg, form, funktion och kvalitet ger ett sortiment med möjlighet till oändlig koordination och kombination.

”Min design ska vara praktisk och tidlös. Du ska kunna njuta av den länge. Välkommen till min värld”

Malin Westberg

Pleasurable everyday luxury

Pleasure in beauty and passion in creation imbues the Malin Westberg Collection. A combination of joy and desire to make the world even more beautiful.

Thoughts and ideas burst into colour, shape and patterns, which evolve in products where the quality of materials, production and final result are uncompromising.

The Malin Westberg Collection combines colour, form, function and quality, providing a range of products with the endless possibilities for coordination and combination.

“I would like my design to be practical, timeless and give you long lasting enjoyment. Welcome to my world.”
